ASSIGNMENT

Individual Inventor To Sierra Design Group

WHEREAS, I, Robert A. Luciano, Jr., conducting business at 300 Sierra Manor Road, Reno, NV 89511, have made certain inventions described and claimed in the Provisional Patent Application titled "INTERACTIVE BINGO GAMING SYSTEM AND METHOD" and described and claimed in Application Serial Number 60/463,296;

WHEREAS, Sierra Design Group, a corporation of Nevada, organized and existing under the laws of the State of Nevada, having a place of business in the City of Reno, Nevada, is desirous of acquiring an interest in the said invention and in any patent or any patents to be obtained therefore;

NOW, THEREFORE, To All Whom It May Concern, be it known that, for and in good and valuable considerations, the receipt of which is hereby acknowledged, I have sold, assigned, and transferred, and by these presents do sell, assign, and transfer unto the said Sierra Design Group the entire right, title, and interest in and to the invention shown, described, or claimed therein, and the full and exclusive right and title to the said application; and in and to any extensions, reissues, divisions, or renewals thereof; and we do hereby authorize and request the Commissioner of Patents or other proper Officer, to issue such Letters Patent, or any of them, to the said Sierra Design Group as the assignee of my entire right, title, and interest in and to the same for the sole use and benefit of the said Sierra Design Group, and its successors or assigns.

And I further covenant and agree that I will, at the request and expense of the said Sierra Design Group, execute such other and further assurances of title as may be necessary or proper to fully convey the interest herein sought to be conveyed; that I will, at the request and expense of the said Sierra Design Group, execute such application papers as may be desired by the said Sierra Design Group, for the filing of any divisional or renewal of the application herein conveyed, or for reissues or extensions, of any Letters Patent that may be granted upon said Statements, or other papers as desired by the said Sierra Design Group.

And I further assign unto the said Sierra Design Group, the whole right, title, and interest to the invention disclosed in the application throughout all countries foreign to the United States,

and do hereby authorize the said Sierra Design Group to apply for patents therefore in its own name in countries where such procedure is proper and to claim the benefit of the International Convention and do agree to execute applications for the said invention in the several countries where it is necessary that the same be executed by the inventors, and to execute assignments of such applications and the assignee herein, as well as all other necessary papers.

IN TESTIMONY WHEREOF I have hereunto set my hand at Reno, Nevada, this

2 day of May, 2003.
